Subject No. 6.

A COMMITTEE MAY BE CONSTITUTED TO REVIEW THE WORK OF REHABILITATION OF DISPLACED RYOTS OF BHADRA RESERVOIR SUB-MERSION AREA.

The Chairman suggested that the subject of rehabilitatio of displaced ryots of Bhadra Reservoir Submersion are may be taken up for discussion in the District Co-ordination Committee meeting which will be held at the District Level. Sri. M.D.Shivananjappa, I.A.S. Deputy Commissioner, Chikmagalur submitted that it is desirable to constitute a Committee to review periodically the progress of rehabilitation under Bhadra Reservoir sub-mersion area with marginally noted personnel. It will be very useful to expedite the work of rehabilitation which has to be executed by officers of P.W.D. and Revenue Deptts. This was agreed to. It was resolved that the Rehabilita tion Committee of Bhadra Reservoir sub-mersion area proposed by the Deputy Commissio Chikmagalur have submit its proceedings to the main Committee. The committee will meet at least once in a month at Narasimharajapura. The functio of the Committee will be advisory in nature.

1. The Deputy Commissioner, Chikmagalur (Chairman)
2. The District Forest Officer, Bhadravathi.
3. The Executive Engineer, B.R.C.Division, B.R.C. Colony.
4. Sri.N.P.Govinda Gowda, M.L.C. Narasimharajapura.
5. Sri.Nirvanappa, Ex-President, N.R.Pura.
6. The Executive Engineer, B.R.L.B. Channel, Bhadravathi.
7. The District Health Officer, Chikmagalur.
8. The Special Land Acquisition and Rehabilitation Officer, Tunga and Bhadra Projects, Shimoga. (Secretary)

para 1 may be perused. The Bhadra and Tunga projects Development Committee was Constituted in G.O No PWA 8353 - 404/DYU 1-55 -105 dated 12-1-56 for a period of one year with the personnel and functions

Serial No.

detailed in the order copy placed below page 1-2 c/F. The item has been established up to end of June 57. The G.O. is under issue.

3 In the circumstances the proposal of the D.C. Chikkamagalur to constitute a Committee to review periodically the progress of rehabilitation under Bhadra Reservoir Submersion area with the personnel noted in the margin in favour of the note, as approved by the Bhadra & Tunga project Devt. Committee is for orders with concurrence of the F.D.

Secretary may please see the extract of recommendations made by the Tunga and Bhadra Projects Irrigation Development Committee at its 4th meeting held on 14-12-1956.(Para 1 ante). The suggestion of the Deputy Commissioner, Chickmagalur to constitute a committee to review the work of rehabilitation of the displaced ryots of Bhadra Reservoir submersion area was accepted by the Irrigation Development Committee. It was also resolved that this proposed Committee to review the work of rehabilitation of displaced ryots should submit its report to the Main Committee that is to say Irrigation Development Committee. It was also resolved that the Committee ~~had to~~ should meet once a month at Narasimharajapura. It would be an Advisory Committee in nature. The Tunga and Bhadra Irrigation Development Committee is presided over by the Minister for Public Works ~~with a number of~~ and include, as Members ~~such as~~ the Revenue Commissioner (now concerned Divisional Commissioner), Chief Engineers, The Director of Public Health, The Director of Agriculture and the Deputy Commissioners ~~Chikmagalur District~~ of three Distts. The recommendation has come from that committee ~~consisting of senior officials of Government presided over by the Minister for Public Works~~. Therefore we may accept the recommendation. The Special Land Acquisition and Rehabilitation Officer, Tunga and Bhadra Projects, has been requested to intimate the probable expenditure that might be incurred on travelling allowance in respect of members of this committee, in case the committee is constituted. That will also be a charge

1) Pl see DS PWD's note dated 15.2.57 above.

On the suggestion of the T B P I Dev. Committee it is proposed to constitute a committee to review the work of rehabilitation of displaced ryots. The personnel of the Committee is indicated on p1 ante. It is stated that the Committee will be of an advisory nature & will meet once in a month at Narasimharajapura.

~~It may be proposed~~

It may be noted in this connection that the Dev. Committee itself meets once in 6 months. In view of this F D may suggest that the proposed committee may meet once in 3 months in the first instance. If the work be heavy the position can be reviewed later. Subject to this condition F D may agree to the proposal.

The members will draw T A & D A according to prescribed rules & the life of the Committee may be made co-extensive with that of the Dev. Committee.

Recommended.

Constitution of a Committee for Rehabilitation of — B.B.P. —.

12) It is proposed to constitute a Committee for undertaking the task of rehabilitation of displaced ryots of the Bhadra Reservoir sub-mersion area.

A/ When the question of continuing the Development Committee for the Tungabhadra Project was referred to us, Secretary had expressed the view that unnecessary expense was being incurred on T.A. and D.A. of members of the innumerable Committees which were being appointed by Government. We will also have to recollect that the costs of this Committee will be charged to the Bhadra Project and will thus push up the total expenditure on this project which has already reached alarming proportions. The work of rehabilitation is primarily the duty of the Deputy Commissioner, with the assistance of a few officers, like the Forest Officers, District Health Officer, etc. The work of rehabilitation can, I believe, be conducted without this Committee.

B.R.P. – Constitution of a Committee for Rehabilitation of 6

PWD 35 BRP 57

16) I have discussed this matter with the Secretary, P.W.D. We have got already one Committee called Bhadra & TungaProjects Irrigation Development Committee consisting of 20 members. The present proposal is to constitute another Committee consisting of 8 members to review the work of the Rehabilitation of displaced ryots of Bhadra Reservoir Submersion area. I must confess I am ignorant of the geography of the place. I wonder whether the Committee now proposed cannot be merged with the Committee existing. I shall be glad if the Secretary, P.W.D. will ~~ring me up or have a chat with me.~~ kindly look into this

POA 35 BRf 67.

1469 4 1871

19) Has the Committee been reconstituted ... after the expiry of the year referred to in para 2 of the G.O.? The Policy up ... Rs.

20) Reference para 16.

There is undoubtedly a committee already - the Tunga and Bhadra Irrigation Development Committee- with a fairly large membership but the committee's work is more comprehensive than that of the proposed rehabilitation committee. The work of the main committee (as indicated in para 4 of the relevant Government order) relates not only to the examination of rehabilitation problems but also to the development of achkat, crop planning programmes, co-ordination of development activities, etc. It has been felt that in the case of all big projects it is necessary to pay particular attention to rehabilitation problems and that too well in time. There has been a great deal of criticism about the way in which the rehabilitation problems in Shimoga District in connection with the Hirebhasgar Reservoir was dealt with. A part of the acquisition and rehabilitation work is still going on although the work was finished over a decade ago. Likewise, even in the case of Krishnaraj Sagar, there are remnants of works relating to acquisition of the submersion area. It is proper that at least in respect of projects which we are now handling and will handle hereafter we should make arrangements to see that rehabilitation problems receive proper attention in time. The people of the areas concerned are liable to be extremely anxious about these matters and

Pl. see file

V 1469 of 1871 PWD - Constitution of a committee — 8 [illegible]
Re-Labilitation of —
PW B 35 B xx/57

it is best that their counsel is available and is taken into consideration in ~~x~~ implementing the rehabilitation measures. I believe it is with this object in view that the main committee proposed the constitution of a rehabilitation committee. Actually, this Rehabilitation Committee need not be an independent committee. It could well be a sub-committee of the main committee and report to the latter from time to time. The non-official gentlemen whose names are proposed for the membership of the Rehabilitation Committee are already members of the main committee and the officers who are ~~xxxxxxxx~~ proposed as members are most of them at or close to the project site. The meetings could take place either at Narasimharajapura or at the dam site, say, once in two or three months, or oftener if ~~very~~ necessary, and the T.A. and D.A. charges would by no means be considerable.

It is therefore suggested that the proposed constitution of the Rehabilitation Sub-committee may be agreed to.

of the Committee in place of the former Revenue Commissioner. Serial No.

32) In GO No.P MI /1081-1132-/MI-1-56-44 dated 30th January 1957. Flag U.

Sanction was accorded to the continuance of the Bhadra and Tunga Projects Irrigation Development Committee as at present constituted , till the end of June 1957.

33) InGO No. PWD 39BRP 57 dated 22nd March 1957 sanction was accorded to the constitution of the sub-Committee calle d "Health Standing Committee" till the end of June 1957 in the first instance with the personnel and functions as detailed at page 8-9 CF. P.8 C.F.

34) While issuing the G.O. constituting a/Sub Committee called Rehabilitation Committee of Bhadra Reservoir Submersion area , the C.P.W.Secretary has ordered as follows:-

"Instead of issuing an order now constituting the new committee only upto the end of June 1957 , we may as well consider immediately the question of re-constituting the main committee and incorporate in the relevent order reference to this rehabilitation committee also. Proposals may accordingly be put up for reconstituting the Irrigation Development Committee. In doing so we may take account of two considerations namely viz., the desirability of having a smaller body as our D.C. Development Committee and the practice elsewhere of having Divl. Commissioners as Chairmen of such committees". vide para 27 of the note.

35) The period of sanction of the main committ e expires by the end of June 1957. While reconstituting the Committee, Members of the Legislative Council & Members of the Legislative Assembly coming from the affected areas of Bhadravathi and Narasimarajapura Taluk may have to be included as non-official members of the Committee. Some of the MLAs and MLCs who were members are no longer in the Office. Hence it is considered necessary that the Divl. Commissioner may be requested to forward suitable proposals for the re-constitution of the main Committee. If approved the same will be called for or for other orders.

Received letter No 213/56-7 dt 14/4 June 57 from the Divisional Commr Mysore Division proposing the official and non official members for the above committee.

frag 'U'

50) Sanction accorded to the continuance of the Bhadra & Tunga Projects, Irrigation Development Committee as at present constituted, expires by the end of June 57.

page 8 cF.

51) Sanction accorded to the constitution of the Sub Committee called "Health Standing Committee" of the main Committee will also expire by the end of June 57.

52) In this connection reference is invited to paras 27 to 37 of the notes. The Divisional Commissioner, Mysore Dn. who was requested to send suitable proposals for the reconstitution of the main Committee as well as the two Sub Committees viz. Health Standing Committee (already constituted) and Rehabilitation Committee (yet to be constituted); has now proposed the following official and non-official members for Tunga & Bhadra projects Irrigation Development Committee, only.

page 23-24 cF. →

1. Minister for Public Works & Electricity (Chairman
2. The Divisional Commissioner, Mysore Dn.
3. The Divisional Commissioner, Bangalore Dn.
4. The Chief Engineer (General)
5. The Chief Engineer (Major Irrn. Southern Dn)
6. The Secretary to Government, P.W.Department.
7. The Deputy Commissioner, Chitaldrug Dist.
8. The Deputy Commissioner, Chickmagalur Dist.
9. The Deputy Commissioner, Shimoga District.
10. The Director of Public Health in Mysore,
11. Sri Kundur Rudrappa, M.L.A., Zamindar, Kathalgere village, Channagiri Taluk.
12. Smt. Rathnamma, M.L.A. Door No.590, Park Extension, Geeta Mandir, Durgigudi, Shimoga,
13. Sri H.S.Gouse Khan, Honnali.
14. Sri A.R.Badri Narayan, Land Lord, Durgigudi, Shimoga.
15. Sri L.H.Thimma Bovi, B.A., Land Lord, Lakkavalli, Tarikere Taluk.
16. Sri L.Siddappa, B.A.,LL.B.,Lingadahalli, Channagiri Taluk.

53) The Divisional Commissioner has not proposed the personnel to the two Sub Committees mentioned above. As already ordered in para 27 of the notes these two sub Committees may have to be incorporated in the

15 B.R.P. Re-Constitution of T.B.B. projects Irrigation Committee. PLE 56 BRP 57

names of the
relevant order. The/members of the Health Standing Committee are at page 8 C.F. and the members of the Rehabilitation Committee are indicated at para one of the notes. There may be some minor changes with regard to the names of non official members of these two as verified from the report of the Divisional Comm. sub committees. It is necessary to consult the Secretary of the Tunga & Bhadra Irrigation Development Committee in the matter in the first instance.

54) For the constitution of the Rehabilitation Sub Committee the Finance Dept. has already agreed to the proposal vide para 20 to 23 of the notes. As a large number of questions relating to land acquisition, rehabilitation and development of irrigation relating to the Bhadra and Tunga projects still remain to be looked into, there is necessity for the continuance of of the main committee with two Standing Committees as in the case of Visveswaraiah Canal Area Board. Therefore the following points are for consideration and ~~for~~ orders:-

Flag 'A'

a) whether the Bhadra & Tunga Projects Irrigation Development Committee may be reconstituted with the personnel recommended by the Divisional Commissioner as above.

b) whether the Special Land Acquisition Officer Shimoga may be asked to intimate the names of the members ~~already proposed~~ of the two Sub Committees (vide page 8 C.F. and para 1 of the notes) ~~based~~ the already proposed hold good even now.

c) The period for which reconstitution of the Committee has to be sanctioned.

Submitted for orders with the concurence of the Finance Dept.

24/6/57

As per orders in para 27 the D.C. Comm. has requested to take into consideration the desirability of having a smaller body on the Devt. Committee and having D.C. Comm as Chairman of such Committees. He has proposed a personnel of 16 as against the former no. of 20 (mentioned at pp 1 & 2 C.F.). If further reduction in no. is considered

BRp. — Re Constitution of the ~~the~~ ABS I/6

Irrigation Committee

PWD 35 BRp 57.

To be desirable, among the Official members proposed the Dist. Collr. Bangalore & the Chief Engr. (G) may perhaps be omitted.

The desirability of having the Dist. Collr, ~~as~~ type as Chairman is also to be considered.

5) The Special Land Acqn officer, Nandini and Tunga Projects, will have to be the Secretary of the Committee. The question of constituting the two Sub. committees will have to be finalised also

---

Nos. The Health Standing Committee for which the present duration expires by the end of this month is at (A) in page 8 c/f. The Rehabilitation Sub. committee that was proposed to be formed is at page 1 of the N.F. After finalising the personnel of the main committee, the personnel of the two Sub committees will have to be decided.

KK
25/6/57

Dy. PWD
Secy PWD

17) B-R-P- Re Constitution of the B&T projects Irrigation Committee

page 35 B/457.

58 The recommendation of the Divisional Commissioner, Mysore, as regards the re-constitution of the Tunga and Bhadra Projects Irrigation Development Committee may be seen at page 23. Notings from para 15 may also kindly be seen. I do not think that there is any necessity to have the Chief Engineer (General) as a Member of that Committee. The Chief Engineer in charge of the Tunga and Bhadra Projects will be there and I think that is sufficient. As regards the Divisional Commissioner, Bangalore, he has been suggested probably because part of the ayecut area will be in Chitaldrug Dt. I think that the Deputy Commissioner, Chitaldrug is sufficient for the purpose and the Divisional Commissioner, Bangalore may not be necessary. However, I feel that the Secretary to Govt., Development Dept. and Addl. Development Commissioner should be made a Member. Within the end of the Second Plan period, the entire area of the State will be covered by the National Extension Service and Community Project Blocks. It will be useful to have the Addl. Development Commissioner on this Irrigation Development Committee in order to co-ordinate whatever efforts the Development Department might be making under the N.E.S. and Community Projects for the development of irrigation. It may also be recalled that the development of the ayecut on the Raichur side of the Tunga Bhadra project is being dealt with

by the Addl. Development Commissioner.

59 The names of non-officials suggested by the Divisional Commissioner, Mysore, for the Tunga and Bhadra Projects Irrigation Development Committee may be accepted.

60 In para 56, a question has been raised whether the Divisional Commissioner, Mysore, ~~could~~ must not be the Chairman of this Irrigation Development Committee. At present, the Minister for Public Works is the Chairman of this Committee. The Divisional Commissioner, Mysore, also has proposed that the Minister for Public Works should be the Chairman of that Committee. It may be recalled here that the Representatives of the Committee on Plan Projects as also the Planning Commission are greatly concerned about the rapid development of ayacut area. The presence of the Minister for Public Works as Chairman of the Committee in the deliberations of the Committee will mean that decisions can be taken in the Committee itself on the various problems. If the Divisional Commissioner were to be the Chairman, the Committee may attain the position of an advisory Body, but with the Minister as Chairman, it will ~~more or less~~ practically be taking final decisions on the various issues. Except for taking the concurrence of the Finance Department not much else will be left to be done after the decisions of the Committee. For these reasons, I ~~thi~~ feel that the Minister for Public Works may be made the Chairman of this Committee. Incidentally, I may submit that this will also be helpful in bringing Government directly in contact with the problems of irrigation development.

P.T.O.

Re ... the Tungabhadra ... Irrigation Development Committee

61) As regards the Health Standing Committee and Rehabilitation Sub Committee, the present Membership is ~~set out~~ in page 8 C.S. and para 1 ante. I recommend that the same membership may continue hereafter also.

re-constitution of this Sub-Committee also. But he has not mentioned anything about this Sub-Committee while sending proposals for the reconstitution of the main Sub-Committee. Sri S.R. Nagappa Setty, who was the only non-official member of this Sub-committee, was an M.L.A. then but he is no longer an M.L.A. now. Hence whether the Dt. Comr. Mysore, may be asked to intimate whether he considers any change in the non-official membership, is for consideration. If the same membership is to be continued, orders are necessary for the reconstitution of this Sub-Committee with the same membership from 1.7.57 perhaps for a period of two years to be coextensive with the period of the Main Committee (viz. Sub. Divl. Committee). The non-official of the Sub-committee will, as hitherto, have to draw T.A. & D.A. at the rates indicated in List-(A) of annexure 2, Section II of P.W.D. & the

P. 23 C.F.

Serial No.

Expenditure relating to it will have to be met from the grant for the Bhadra Reservoir project as hitherto and as in the case of the Main Committee.

2 (5) 77) Regarding the question of the Rehabilitation Sub-Committee the constitution of which has been mentioned in paras 20 to 23 of MNS, the term of this Sub-committee also may perhaps be fixed at 2 years to be coexistensive with the Main Committee & the T.A. & D.A. of the non-official members and the debit of expenditure may also be the same as in the case of the Main Committee.

2 (5) 78) The constitution of the Health sub-committee and, the duration of which has already expired on 1.7.61, was done on the recommendations of the previous Bhadra and Tunga project Development committee. There was one non-official member viz, Sri S.R. Nagappa Setty, on that committee. But, in the reconstituted main committee Sri S.R. Nagappa Setty is not a member. Hence, one of the past non-official members in the reconstituted main committee, will have to be done on the Health

Standing Sub-committee that will have to be reconstituted now from 1.7.57. The other four members are official members and they may remain as such.

79) Similarly in the Rehabilitation Subcommittee, the formation of which is already described in paras 20 to 22 of the note, there are two non-official members, viz, Messrs N.P. Govinda Gowda and Sri Nirvanappa who are not at present members of the main reconstituted committee. Hence, two of the present non-official members on the main development committee will have to be suggested to work on this sub-committee. The remaining Six members of the proposed subcommittee are official members and they may be retained.

Para 80

80) The above reasoning will hold good, if we accept the principle that the non-official members of the two sub-committees, must be also the members of the main development committee, which was the case in the previous set up. In case this principle is accepted even now, then, the Divisional Commissioner, Mysore may perhaps be asked to suggest names of two non-official members of the main committee to serve on these two sub committees.

Committee - Re-Constitution of Health
PWD 35 BRP 57 Standing Committee.

---

132) The question of reconstituting the two sub-committees viz, the Health standing committee and the Rehabilitation sub-committee was left to the discretion of the main reconstituted Bhadra and Tunga Projects Irrigation Development committee. ~~Re-consideration~~

30 cf. ~~to the previous Health standing~~ Proposals have now been recd. for the reconstitution of the Health standing committee as per the resolution of the main committee taken at its meeting held on 15th Sept. 57. ~~Re~~ Election to the previous Health standing committee has expired on 1.7.57. In the present proposals, the number of non-official members has been raised from one to three, and there is no official member representing the Public Works dept. As this sub-committee deals with questions relating to the anti-malaria engineering works, such as creating dry belts, canalising valleys, village shifting scheme work etc., at least one official member from the PWD. seems to be quite necessary, ~~as was the case in the previous sub-committee~~. Chief Engineer (MIS) was a member on this sub-committee previously and hence even in the sub-committee to be reconstituted now, he may be/continue to be a member

Paras 130 - 132 above are for orders.

26/11/57
PWD

D/S proof

(133) I do not think there is any need to draw on the time of the C.E (MIS) for the health standing Committee. Can we not think of a S.E. for the purpose? Probably the health committee will meet at some convenient place in the project area. A local S.E. will do: Pls examine. Whether S.E. at the dam will not do?

BM 27.11.57

(138) Discussion with the Vice Chairman of the meeting of the S.E. Bhadra Resv. Circle was also considered at para 123 ante. In the case of V.C.A. Board there are two standing Committees viz the Development Standing Committee & the Health Standing Committee. The Health Standing Committee vide G.O at page 57 (F) (Annexure) functions of the Committees are detailed at page 55-56 of that G.O. The Board has since been reconstituted for a further period of 2 years from July 58 (F) Annexure-A

57. (139) In the present case, it appears necessary to re-constitute at least one Committee viz Health Standing Committee or in the case of V.C.A. Board. This will examine all questions relating to

Bhadra project. Tungabhadra projects Irrig. Dev. Committee.

P.W.D 35 BRPS 57

Antimalarial Engineering works and subjects placed before it by Deptt. officers in the area. It also reviews the progress of Health measures taken by the PW & Health Deptt.

(141) In the above circumstances the question of re-constituting the Health Standing Committee with the personnel noted at para 137 is for consideration.

Sd/- 23/12/57 21/12/57.

(142) To which category, either class A or class B is the Health standing committee of the V.C. Area Board classified? KL 24/12/57

(142) It is ascertained that the members of the V.C. Area Board as well as the members of its Sub-committees are being classified under class A. Even the members of the Re-constituted Tungabhadra projects Irrigation Development Committee, are being classified 'A' class. vide 'A' at 27 c F. Hence the members of the Health Committee in question will have to be given the same rate of allowances given to the main Committee.

Sd/- 26/12/57 Sd/- 26/12/57

143. The Health Standing Committee with the members mentioned at para 137 above and having the S.E. Health as its Chairman, also as one of its members may be constituted with the concurrence of Govt. This committee will be

GOVERNMENT OF MYSORE

PUBLIC WORKS DEPARTMENT.

G.O. No. P.W.A. 8353-404—Irn. 1-55-105, dated 28th December 1955—12th January 1956.

Bhadra and Tunga Projects Irrigation Development Committee.

Constitutes an Advisory Body called the —— for a period of one year in the first instance.

READ—

Government Order No. P.W.A. 5615-25—Irn. 1-54-101, dated 27th August 1954, constituting an *Ad hoc* Committee consisting of the following officers with the Revenue Commissioner as Chairman to go into the question of acquisition of lands and rehabilitation of ryots affected by the Bhadra Project and to furnish suitable proposals to Government.

(1) The Special Chief Engineer for Major Irrigation Works.
(2) The Deputy Commissioner, Shimoga District.
(3) The Deputy Commissioner, Chikmagalur District.
(4) The Special Engineer, Bhadra and Tunga Projects.
(5) The Special Land Acquisition Officer, Bhadra and Tunga Projects, Shimoga (*Secretary*).

2. Letter No. Spl. LI-C. 22—55-56, dated 12th September 1955, from the Revenue Commissioner in Mysore and Chairman, *Ad hoc* Committee, for acquisition of lands and rehabilitation of ryots affected by the Bhadra Project, stating that the *Ad hoc* Committee at its 4th meeting held on 23rd August 1955 resolved that some members of the Legislative Council and Legislative Assembly coming from the affected areas of Shimoga, Bhadravathi and Narasimharajapura be co-opted as non-official members of the above Committee and forwarding proposals in that behalf, for orders of Government.

ORDER THEREON No. P.W.A. 8353-404—IRN. 1-55-105, DATED BANGALORE, THE 28TH DECEMBER 1955—12TH JANUARY 1956.

The *Ad hoc* Committee constituted in the Order of 27th August 1954 was entrusted only with the work of examining questions relating to acquisition of lands and rehabilitation of ryots affected by Bhadra Project and it has no non-official representatives. The first stage of the Bhadra Project is nearing completion and water is expected to be made available for irrigation to some extent in the near future. The Tunga Anicut Project has been completed and water has already been made available to an extent of 10,000 acres. It is necessary to constitute a committee consisting of official members and representatives of the people of the areas submerged by the Bhadra and Tunga Projects and the areas coming under irrigation by the schemes, for examining questions relating not only to acquisition and rehabilitation but also problems relating to the systematic and speedy development of irrigation under the Projects with a view to deriving the maximum benefit from the schemes as quickly as possible.

2. Government are therefore be pleased to constitute, in place of the *Ad hoc* Committee, an Advisory Body called the Bhadra and Tunga Projects Irrigation Development Committee for a period of one year in the first instance with the personnel noted below :—

1 The Minister for Revenue and Public Works (*Chairman*)
2 The Revenue Commissioner in Mysore
3 The Chief Engineer of Mysore
4 The Special Chief Engineer for Major Irrigation Works
5 The Director of Public Health in Mysore
6 The Director of Agriculture in Mysore
7 The Deputy Commissioner, Chikmagalur District
8 The Deputy Commissioner, Shimoga District
9 The Deputy Commissioner, Chitaldrug District
10 The Conservator of Forests, Shimoga
11 Sri L. Siddappa, B.A., LL.B., M.L.A., Lingadahalli
12 Sri B. Madhavachar, M.L.A., Bhadravati

17 Sri H. S. Ghouse Khan, Zamindar and Bus Proprietor, Honnali Town
18 Sri N. P. Govinda Gowda, M.L.C., Narasimharajapura
19 Sri Nirvanappa, Municipal President, Narasimharajapura
20 Sri H. H. Manjappa Gowda, Zamindar, Heddur, Mathur Hobli, Thirthahalli Taluk.

Nominations of members from the Davangere and Harihar Taluks will be considered when questions relating to rehabilitation and development of irrigation in those taluks arise.

3. The Special Land Acquisition Officer, Bhadra and Tunga Projects, will be *Ex-Officio* Secretary of the Committee.

4. The functions of the Committee will be advisory in nature and will include the following :—

(*a*) Consideration of the general policies in regard to the development of the atchkat under Bhadra Reservoir and Tunga Anicut Projects, and the measures for the development of irrigation, agricultural practices, health, communications, etc., in the area ;

(*b*) Examination of the crop planning programme in conformity with storage conditions and regulations in the reservoirs with a view to making the best use of the waters ;

(*c*) Arranging for the co-ordination of the activities of the different development agencies functioning in the area ;

(*d*) Consideration of the matters relating to the acquisition of lands and rehabilitation of ryots affected or displaced by the two projects ;

(*e*) Such subjects or classes of subjects as may be referred to it by the Government from time to time.

5. The Committee will meet at least once in 6 months at Shimoga or at the Reservoir sites or at such other places as may be appointed by the Chairman.

6. The non-official members of the Committee will draw travelling allowance and daily allowance at the rates indicated in list "A" of Annexure 2, Section II, Mysore Services Regulations, as amended from time to time.

7. The expenditure relating to the Committee will be met from the grant for the Bhadra Reservoir Project in the Budget under "68 I.N.E.D."

W&S.

Sir,

Subject:- Constitution of a Committee to review the work of rehabilitation of displaced ryots of Bhadra Reservoir submersion area.

D/S 14/2

Reference:- Your letter No.P.W.D.35.B.R.P.57 dated 11-2-57.

Twenty five villages will be submerged in B.R. submersion area by the end of 1961. The displaced ryots of submersion area have to be rehabilitated in Aramballi State Forest, Byrapura, Muthinakoppa, Kusaboor, Kanaboor and Madaboor in N.R. Pura Taluk, Nanjapura, Gonibeedu, Kambadalhosur, Nellisara, Mallenahalli in Bhadravathi Taluk have been selected for the formation of new villages. As there is thick forest in this area, fuel and timbers have to be removed by the Forest Department. P.W.D. authorities have to demarcate sites to fix places stated above. The main Committee examined the subject and resolved that a rehabilitation Committee of 8 members may be constituted to examine the problems pertaining to acquisition of lands and rehabilitation of displaced ryots of B.R. submersion area. This Committee will take up for discussion the local problems pertaining to the subject above. The functions of the Committee will be advisory in nature. It was also pointed out in the resolution that the proceedings have

(p.t.o.

have to be submitted to the Main Committee for information. The personnel of the Committee consists of 8 members, out of which six members happen to be Government Officers, and the T.A. of these Officers will be debited to the respective ~~departments~~ departments to which they belong. Two members happen to be non-officials viz., Sri K.P. Govinda Gowda and Sri Nirvanappa. They are residing in K.R. Pura where the rehabilitation committee will meet for discussion at least once in a month. Hence the question of T.A. and D.A. will not arise in respect of two non-official members. Further, it is pointed out in the resolution that the Committee will meet once in a month at K.R. pura. The probable cost of expenditure pertaining to the Committee will be Rs.300/- for sundry expenses for the conduct of meetings per year. The expenditure will be debitable to 68 I.N.E.D.

Yours faithfully,

18/2/57

Read:-

Government Order No. PWA 8383-404/Irn 1-55-105 dated 20th December 1955, 12th January 1956 according sanction to the constitution, in place of the Adhoc Committee, of an Advisory Body called the Bhadra and Tunga Projects Irrigation Development Committee with official and non-official members, for a period of one year in the first instance for examining the question relating not only to acquisition and rehabilitation but also problems relating to the systamatic and speedy development of Irrigation under the Projects with a view to deriving the maximum behefits from the Schemes as quickly as possible.

2. Government Order No. PWMI 1081-1132/MI 1-56-44 dated 30-1-1957, according sanction to the continuance of the Bhadra and Tunga Projects Irrigation Development Committee as at present constituted till the end of June 1957.

3. Correspondence ending with letter No. L I PR 129/56-57 dated 12th March 1957 from the Secretary, Tunga and Bhadra Projects Irrigation Development Committee, Shimoga, stating that the Tunga and Bhadra Projects Irrigation Development Committee at its 4th meeting held on 14-12-1956 resolved, that the main committee would not by itself be able to go into the question of antimalarial measures and such other aspects in all its detail and a sub-Committee with necessary personnel be constituted to examine the question of formation of dry belt of 2 furlongs as a permanent measure for prevention of Malaria in the Irrigated area under both the Projects and submit a report early for the consideration of the main Committee at its next meeting and forwarding proposals in that behalf for orders of Government.

Order No. PWD 39 BRP/57

Bangalore, dated, 22nd March 1957.

After a careful consideration of all the aspects of the question, Government are pleased to constitute a sub-Committee called "Health Standing Committee" till the end of June 1957 in the first instance with the personnel noted below:-

1. The Director of Public Health in Mysore, Bangalore (Chairman)
2. The Deputy Commissioner, Shimoga.
3. The Chief Engineer, Major Irrigation (South), Bangalore.
4. The Special Land Acquisition and Rehabilitation Officer, Tunga & Bhadra Projects, Shimoga (Ex- Officic Secretary).
5. Sri.S.R. Nagappa Setty, M.L.A. Shimoga.

2. The functions of this Committee will be:-

i) To examine all questions relating to anti-malaria engineering works, such as creating dry belts, canalising valleys, village shifting etc., and other works calculated to improve the general health conditions in the area;

ii) To examine the questions placed before it by Departmental Officers in the area and investigate the necessity for health measures that may be suggested by the members of the Committee;

iii) To review the progress of health measures in the area taken by the Public works and Health Departments and offer their views, and submit its report for the consideration of the Main Committee.

3. The Standing Committee will function under the general Superintendence of the Main Committee and the Proceedings of the Committee will be subject to ratification by the Main Committee.

4. The non official member of this Committee will draw

P.T.O.

Travelling Allowance and Daily Allowance at the rates indicated in list (A) of annexure 2, Section II, Mysore Services Regulations, as amended from time to time and Travelling Allowance for the official members may be debited to the respective Departments in which they are working.

5. The expenditure relating to this Committee will be met from the Grant for the Bhadra Reservoir Project in the Budget under 68-I.N.E.D.

PTO

11

Bhadra Projects Irrigation Development Committee, Shimoga stating that the Tunga and Bhadra Projects Irrigation Development Committee at its 4th meeting held, on 14-12-1956 resolved that a "Rehabilitation Committee" may be constituted to examine the problems pertaining to acquisition of lands and rehabilitation of displaced ryots of B.R. Submersion area and to submit its proceedings to the main Committee and forwarding proposals in that behalf for orders of Government.

Order No.

Bangalore, dated, April 1957.

~~It has been felt that in the case of all big projects it is necessary to pay particular attention to re-habilitation problems and that too~~ well in time. ~~There has been a great deal and criticism about the way in which the rehabilitation problems in Shimoga Dist. in connection with the Hirebhasgar Reservoir were dealt with . A part of the acquisition and rehabilitation work~~ is still going on although the work was finalised ~~over a decade ago. Likewise even in the case of Krishnarajasagar there are [illegible] of work relating to the acquisition of the submersion area.~~ It is considered ~~proper~~ which that ~~at least~~ in respect of projects ~~with~~ the Govt. are now handling and will handle hereafter, ~~to make~~ should be made arrangements to see that rehabilitation problems receive proper attention in time. The people of the areas concerned are ~~liable to be extremely anxious about~~ interested

12

would be useful to have
these matters and it ~~is learnt that~~ their
counsel ~~is available and is taken into considera-~~
~~tion~~ in implementing the rehabilitation measures.

2. With the above object in view Govt. are pleased to constitute a Sub-Committee called "Rehabilitation Committee" of Bhadra Reservoir Submersion area, till the end of June 1957 in the first instance with the personnel noted below:-

for approval.

1. The Deputy Commissioner, Chikmagalur (Chairman)
2. The District Forest Officer, Bhadravathi.
3. The Executive Engineer, B.R.C. Division, B.R.C. Colony.
4. Sri.N.P.Govind Gowda, ex M.L.C., Narasimharajapura
5. Sri.Nirvanappa, Ex-President, N.R.Pura.

Is it president of Panchayat or municipality.
Not official sir.

6. The Executive Engineer, B.R.L.B.Channel, Bhadravathi.
7. The District Health Officer, Chikmagalur.
8. The Special Land Acquisition and Rehabilitation Officer, Tunga and Bhadra Project, Shimoga. (Secretary)

The functions of the Committee will be advisory in nature viz., (1) to discuss the local problems pertaining to the work of rehabilitation of displaced ryots of B.R. Submersion area (ii) to expedite the work of rehabilitation which has to be executed by officers of PWD and Revenue Deptts. (iii) to review periodically the progress of rehabilitation under B.R.Submersion area and submit its proceedings for the consideration of the main

13

Committee from time to time.

4. The Committee will meet either at Narasimharajapura or at the dam site/~~at least~~ once in two or three months or oftener if necessary ~~in a month or two at Narasinharajapura or other Office if necessary.~~ This will function under the general superintendence of the main committee and the proceedings of the committee will be subject to ratification ~~rectification~~ by the Main Committee.

5. The non-official members will draw T.A. and D.A. at the rates indicated in list 'A' of annexure 2 Section 11, Mysore Services Regulations, as amended from time to time, and T.A. for the official members may be debited to the respective Departments in which they are working.

6. The expenditure relating to this committee will be met from the grant for the Bhadra Reservoir Project ~~in the Budget~~ under 68-I.N.E.D.

By order,

14/4/53.

OFFICE OF THE MINISTER FOR PUBLIC WORKS No. P.12 M 57 31-July 1957 BANGALORE
MYSORE GOVERNMENT SECRETARIAT No. 5233 1-AUG 1957 PUBLIC WORKS BR

Dear Sri. H.K. Veeranagowda,

I see from news paper that an Advisory Body called the "Bhadra and Tunga projects Irrigation development Committee has been recently constituted. The Committee has been recently constituted. The non Official members of this Committee are all from Shimoga District.

I would like to bring to you kind notice that more than one lakh of acres belonging to Harihar Taluks will be irrigated. Further land in these two Taluks have been acquired. So, it is the question of these two Taluks that is most important. I believe that this has not been brought to the notice of the Govt. While constituting the Committee.

32

the above Committee.

It is perhaps the fact that the project is situated in Chikkamagalur district and the channels pass through Shimoga District, I am under the impression to take into consideration only these two districts.

I request you kindly consider this aspect and nominate two members one from Davangere and the another from Hariharataluk.

Yours sincerely,

T. Venkatesh

Sir,

Re: G.O.No.PWD.35 BRP 57 according sanction to the reconstitution of Bhadra and Tunga Projects Irrigation Development Committee.

With reference to the above, I write to state the Superintending Engineer, Tungabhadra Valley Circle, is not included as a Member of the above Committee. Being an Administrative Officer, in close touch with the Bhadra Reservoir and Tunga Anicut Projects and in a position to furnish ready information on any point and the man on the spot whose views are to be considered before any decision is taken on proper development of irrigation under both projects, his inclusion in the Committee is quite essential. I request the necessary orders in the matter be issued at an early date.

6/8/57

Yours faithfully,

(T.Ramaswamy Iyengar),
Chief Engineer,
Major Irrigation - South.

OFFICE OF
the Director of Agriculture, in Mysore,
Seshadri Road, Bangalore-1,
Date 8

To

The Secretary to the Government of Mysore,
Public Works Department,
BANGALORE.

SUBJECT:- Government order No.PWD.35 BRP.57 Bangalore dated 1st July 1957 - sanctioning the reconstitution of the Bhadra and Tunga Projects irrigation development Committee.

With reference to the above cited Government order, I write to state that in the personnel of the Bhadra and Tunga-projects irrigation development committee, the Agricultural Department has not been represented, though the developmental activities of the project areas mainly relate to agriculture. In several such Committees the Department will usually have its representation to discuss the matters pertaining to Agriculture.

In the circumstances, I request that the Government may kindly be moved to include the Deputy Director of Agriculture, Mysore Division, Mysore as a member of the above said ~~above~~ Development Committee on behalf of this Department.

Yours faithfully,

M. Mallaraj Urs 8/8

Dear Sir,

SUB:- Tunga and Bhadra Projects Irrigation Development Committee meetings.

I beg to state that according to Government order No.PWD.35.BRP.57 dated 1st July 1957 the advisory body called Bhadra and Tunga Projects Irrigation Development Committee with official and non-official members for examining the questions relating to rehabilitation and systematic and speedy development of irrigation under both the projects was re-constituted. A meeting will be convened in the Chambers of Minister for Public Works and Electricity on 7th September 1957 at 10 A.M. If the above proposal is confirmed, further action will be taken in this behalf.

With respects,

Yours faithfully,

H L Lingaraj Urs 9/8

(H.L. Lingaraj Urs)
Secretary,
Tunga and Bhadra Projects Irrigation Development Committee, Shimoga.

Mysore Government Secretariat,

Bangalore, dated 27-8-1957

Dear Sir,

Re: Tunga and Bhadra Projects Irrigation Development Committee meetings.

I am in receipt of your D.O.letter dated 26th August 1957. It is ascertained over phone from the Private Secretary to the Minister for Public Works that the Minister would be away at Delhi from the 8th to 13th September and that he would have to preside over the Visvesvaraya Canal Area Board meeting at Krishnarajasagar on the 14th September. It was therefore necessary to fix the above meeting on the 15th September 1957. It is evident that all the aspects of the case were considered and the meeting was finally fixed on 15-9-1957. I therefore request you kindly to take necessary action to convey the meeting on that day itself.

Yours sincerely,

Sd) K.B.Murarappa

Sub:- No.(7) - Re-constitution of Health Standing Committee.

Resolution:-

The Chairman explained that Tunga and Bhadra Projects Irrigation Development Committee is an Advisory Body and it would be necessary to constitute a Health Standing Committee for Tungabhadra Valley Circle with the personnel. The Health Standing Committee will examine all the questions relating to the anti-malarial engineering works such as creating dry-belts, canalising valleys and village shifting scheme work. Beside the Committee will also examine the question placed before it by the Departmental Officers in the area and to investigate the necessity for health measures that may be suggested by the Members of the Committee. The Committee will review the progress of health measures in the area taken by P.W.D. and Health Departments. Government after careful consideration constituted a Sub-committee called Health Standing Committee till the end of March 1957 in the first instance with the personnel. The Committee has to be re-constituted. After discussion and careful consideration the Committee resolved that the Divisional Commissioner, Mysore Division will be the Chairman of this Committee, with the following Members viz., 1) Sri Kundur Rudrappa, M.L.A., 2) Smt. Rathnamma Madhava Rao, M.L.A., 3) Sri H.S. Ghouse Khan, Honnali, 4) The Deputy Commissioner, Shimoga, 5) The Deputy Commissioner, Chikmagalur, 6) The Director of Public Health or his Nominee and the Special Land Acquisition and Rehabilitation Officer, Tunga and Bhadra Projects, Shimoga to be the Secretary of the Committee.

GOVERNMENT OF MYSORE

PUBLIC WORKS DEPARTMENT.

G.O. No. P.W. 9426-9525—K.R.S. 11-53-9, dated 26th December 1953.

Visvesvaraya Canal Area Board

Constitutes the —— with two Standing Committees for the development of irrigation, health and communications in the Visvesvaraya Canal Area.

READ—

Government Order No. P.W. 3857-69—K.R.S. 11-49-7, dated 4th November 1949, according sanction to the formation of a Committee with the personnel noted therein for submitting porposals for administering the Sugarcane Cess expenditure for various purposes in the Visvesvaraya Canal area.

2. Government Order No. P.W. 5217-49—K.R.S. 11-49-18, dated 14th December 1949, reconstituting the K.R.S. Working Committee, Health Committee and Irrigation Development Committee with the personnel noted therein to deal with questions relating to irrigation, public health and communications in the Visvesvaraya Canal area.

3. Government Order No. P.W. 7462-71—K.R.S. 11-50-24, dated 12th December 1950 consituting an *Ad hoc* Committee with the personnel noted therein to examine in detail the functions of the various Committees now functioning in the Visvesvaraya Canal area and to suggest the formation of a Standing Committee to take over all the functions and avoid overlapping, suggesting at the same time the personnel of the new Committee.

4. Letter No. 1668, dated 30th May 1952, from the Secretary, Krishnarajasagar *Ad hoc* Committee forwarding the report of the Committee.

5. Government Order No. P.W. 8578-87—K.R.S. 11-52-1, dated 19th December 1952 constituting a Co-ordination Committee to review the storage position of Krishnarajasagara Reservoir from time to time and suggest suitable measures for the economical use of water.

6. Government Order No. P.W. 11252-62—K.R.S. 11-52-2, dated the 7th March 1953, constituting a Committee to evolve a suitable permanent planting programme for Visvesvaraya Canal area.

ORDER THEREON No. P.W. 9426-9525—K.R.S. 11-53-9, DATED BANGALORE, THE 26TH DECEMBER 1953.

The question of co-ordinating the activities of the several committees now functioning in the Visvesvaraya Canal area came up for consideration before the 36th meeting of the Krishnarajasagar Working Committee held on 4th November 1950, which recommended the constitution of an *Ad hoc* Committee for the purpose. Accordingly the Krishnarajasagar *Ad hoc* Committee was constituted in the Government Order read in para 3 of the preamble. The *Ad hoc* Committee has recommended the abolition of all the existing Committees and the constitution of a Statutory Board with two Sub-Committees, with independent powers to frame its own budget and sanction works relating to the development of the area. These recommendations of the *Ad hoc* Committee were concurred in by the Krishnarajasagar Working Committee at its 40th meeting held on 3rd August 1952.

2. The report of the *Ad hoc* Committee and its recommendations have been examined by Government carefully in all its aspects. The Committee's suggestion to constitute a Statutory Board with authority and control over the entire area is found to be beset with complications for the reason that the storage in Krishnarajasagar reservoir serves both irrigation and power requirements and the regulation of waters thereof is governed by agreements entered into with Madras. Irrigation in the Visvesvaraya Canal area has not yet stabilised and the Krishnarajasagar Special Committee appointed in the Government Order No. P.W. 3191-16, dated 22nd May 1950 have made certain suggestions to evolve a satisfactory system of control and distribution of water with suitable crop planning in the area and action

is being taken to implement them. Any attempt at this stage to appoint a Board with an over-all control over the area might interfere with the work already undertaken to systematise the mode of irrigation.

3. Government are therefore unable to accept the recommendation regarding the formation of a Statutory Board. They nevertheless consider that it is necessary to secure close co-ordination of the activities of the several existing Committees as recommended by the Krishnarajasagar *Ad hoc* Committee and to avoid the multiplicity of committees now functioning, and are therefore pleased to direct that an advisory body called the "Visvesvaraya Canal Area Board" with two Standing Committees be constituted for a period of 3 years from 1st January 1954 in the first instance with the personnel and functions as noted below :—

VISVESVARAYA CANAL AREA BOARD.

1 The Minister for Revenue and Public Works (*Chairman*).
2 The Chief Engineer of Mysore.
3 The Director of Agriculture in Mysore.
4 The Chief Electrical Engineer in Mysore.
5 The Director of Public Health in Mysore.
6 The Secretary to Government, Public Works Department.
7 The Revenue Commissioner, in Mysore.
8 The Superintending Engineer, Cauvery Circle.
9 The Deputy Commissioner, Mysore District.
10 The Deputy Commissioner, Mandya District.
11 The Chairman, Mysore Sugar Company.
12 The President, District Board, Mandya.
13 Sri M. Narasimhaiya, B.A., C.E., M.I.E., Chief Engineer (Retired).
14 Sri K. Chikkalingaiah, B.A., LL.B., Advocate, Mandya
15 Sri P. Thirumale Gowda, M.L.C., Shivapura, Maddur Town.
16 Sri K. V. Veeregowda, Vice-President, District Board, Mandya.
17 Sri K. Puttaswamy, B.A. (Hons.), LL.B., M.L.A., Mysore.
18 Sri S. M. Lingappa, B.A., LL.B., M.L.A., Krishnarajapet.
19 Sri M. Chikkalingiah, B.A., M.L.A., Malavalli.
20 Sri K. V. Veerappa, Malavalli.
21 Sri S. Srinivasa Iyengar, B.E., M.L.A., T.-Narsipur.
22 Sri Shivananje Gowda, M.L.A., Naganahalli, Mysore Taluk.
23 Sri B. P. Nagaraja Murthy, B.A., LL.B., M.L.A., and Advocate, Mandya.
24 Sri B. Y. Neelegowda, B.A., LL.B., M.L.A., Advocate, Mandya.
The Assistant Secretary to Government, Public Works Department, (*Ex-Officio* Secretary).

The functions of the Board will be advisory in character and will include the following:—

(*i*) Consideration of the general policies about the development of the Visvesvaraya Canal Area, and of such areas as are inevitable associated with it, and of the measures for the development in the matter of irrigation, health, communications, etc., in the area.

(*ii*) Crop planning programme in conformity with storage conditions and regulations in the reservoir and with a view to the economic utilisation of the waters.

(*iii*) Arrangements for the co-ordination of the activities of the different agencies functioning in the Visvesvaraya Canal area.

(*iv*) Review of the activities of the Standing Committees.

(*v*) Such subjects or classes of subjects as may be referred to it by Government from time to time.

The Board will meet once in six months, or oftener if necessary.

The Board will have two Standing Committees called the Health Standing Committee and the Development Standing Committee with the personnel and functions noted below :—

I. Health Standing Committee.

1. The Director of Public Health (CHAIRMAN)
2. The Deputy Commissioner, Mandya District
3. The Superintending Engineer, Cauvery Circle
4. The General Manager, the Mysore Sugar Co., Ltd.
5. The Deputy Commissioner, Mysore District
6. The President, District Board Mandya
7. to 11. (Five non-official members of the Board to be named by it)
   The Superintendent, Bureau of Malariology. (*Ex-Officio* Secretary)

The functions of this Committee will be :—

(1) To examine all questions relating to anti-malaria engineering works, such as, creating dry belts, canalising valleys, village shifting, etc., and other works calculated to improve the general health conditions in the area, and to make recommendations to the Board;

(2) To examine questions placed before it by Departmental Officers in the area and investigate the necessity for health measures that may be suggested by the members of the Committee;

(3) To review the progress of health measures in the area taken by the Public Works and Health Departments and offer their views; and

(4) To advise the Public Works and Health Departments, through the Board, regarding the provisions to be made in the budget for health measures and regarding the programme of works for spending the sanctioned grants.

II. Development Standing Committee.

1. A non-official Chairman (to be appointed by Government)
2. The Director of Agriculture
3. The Superintending Engineer, Cauvery Circle
4. The Deputy Commissioner, Mandya District
5. The General Manager, the Mysore Sugar Co. Ltd.
6. The President, District Board, Mandya
7. to 12. (The six non-official members of Board to be named by it)
   The Executive Engineer, Mandya Division, (*Ex-officio* Secretary).

This committee will deal generally with questions relating to the extension of irrigation, development of communications and improvement of agriculture in the Visvesvaraya Canal area and its other functions will be as follows :—

(*i*) To advise the concerned departments through the Board regarding the provisions to be made in the annual budget for the above works and to offer suggestions regarding the programme of works against lump-sum provisions made in the budget

(*ii*) To offer to the Board its views regarding crop-planning, economic utilisation of water and possibilities of extending irrigation with reference to the local conditions, including original major works;

(*iii*) To take over all the functions of the Sugarcane Cess Fund Committee and to advise regarding the priority for taking up road works. The Committee will also draw up a programme of expenditure for the

formation and maintenance of the roads taken up under the Sugarcane Cess Fund. It will also advise on the necessity for the formation of new roads and improvement of existing tract roads. The existing State Fund and District Fund Roads in the Visvesvaraya Canal Area will not, however, come within the purview of this Committee. The Committee will review the progress on road works and offer its views to the Board ; and

(*iv*) To examine the possibility of introduction of improved implements and machinery for cultivation and securing for the ryots good seeds and manure for agricultural purposes.

The standing committees will function under the general superintendence of the Board and the proceedings of the Committees will be subject to ratification by the Board.

4. The expenditure relating to the Board and the Standing Committees will be met from the maintenance grants of the Krishnarajasagara Works.

5. The Committees constituted in Government Orders read in paras 1, 2, 5 and 6 will stand abolished from the date of the constitution of the Visvesvaraya Canal Area Board.

6. The work relating to crop planning hitherto dealt with by the Committee constituted in Government Order read in para 6 of the preamble will be dealt with by the Development Standing Committee of the Visvesvaraya Canal Area Board.

D. K. SRINIVASACHAR,
Secretary to Government,
